Abstract

I would like to say some bullshit here that summaries my report in an interesting way.

Contents

1	Introduction	1
2	Background	1
3	Method	1
3.1	GA	1
3.2	Crossover	1
3.3	Mutation	1
3.4	Parents	1
4	Results	1
5	Discussion	1
6	Conclusion	1
7	References	2
8	Appendices	3
8.1	Appendix A	3

1 Introduction

Introduction[1].

2 Background

Background if needed[2].

3 Method

Describe the method followed for this assignment.

3.1 GA

3.2 Crossover

3.3 Mutation

3.4 Parents

ex1

ex2

ex3

1 format1

2 foramat2

4 Results

Describe the results you've got. Don't give your opinion in here that goes in the Discussion.
Unless combine the Results and Discussion sections

$$V = IR \tag{1}$$

.

S-1 item1.

S-2 item2.

S-3 item3.

5 Discussion

Discussion.

6 Conclusion

Reinstate the stuff you've talked about in the report. Don't introduce new materials in here.

Figure 1: Shows that you can relax at this beautiful beach
